

General Session IV - Washington Update

Katie Orrico, AANS

Description:

Presentation will provide attendees with an overview of the health policy and advocacy activities of the American Association of Neurological Surgeons and Congress of Neurological Surgeons.

Objectives:

At the conclusion of this activity, participants will be able to:

1. Be aware of the public policy priorities of the American Association of Neurological Surgeons and the Congress of Neurological Surgeons, and the status of advocacy efforts, including a recap of 2018 and preview of 2019.
2. Be familiar with the results of the AANS/CNS prior authorization and AMA surveys and efforts to improve PA processes.
3. Understand the scope of efforts to address surprise medical bills
